Cut and return application

July 13 –17, 2009 at Margaret Bell Miller Middle School

LEGO NXT Robotics (Gr. 6-8) 8:30 am to 12:00 pm

Campers will work together in teams using math, science and engineering skills to solve various challenges through designing, building, programming and testing a LEGO NXT robots.

Additional forms and information available at
www.iu1.org or
www.iu1stemcenter.org

Discount for 2 or more students registering together

Registration fee includes daily snacks and CAMP Tech T-shirt.

Camp Instructor: Kathryn Keller, Central Greene Middle School Teacher

Register early. Space is limited to the first 14 campers and is available on a first come, first serve basis.

Campers will receive a written confirmation of enrollment and it will include an Emergency Medical Form and Release from Liability Form that must be completed and returned to the Science Matters Program.

CANCELLATION POLICY— Any cancellation prior to one week before the start of a camp session will result in the return of \$90 of the \$135 fee. Any cancellation less than one week before or after the start of the camp session will result in the complete forfeit of the camper's registration fee.
